## Federal Uniform Guidance Procurement Updates

June 12, 2018

# Reason for the Updates?

---

*The intent of the new federal requirements is to increase competition and transparency in the procurement process.*

These updates are for  
**Federal Grant  
Funds Only**

# Sole Source Procurements Limited to FOUR Justifications:

---

1

Product/Service is only available from a single source

2

Public Emergency Procurement

3

Federal Awarding Agency Authorization (the awarding agency specifically authorizes a non-competitive procurement after a written request from the non-federal entity)

4

Inadequate competition after solicitation of multiple sources

# The Most Significant Change...

---

*“Continuity of research” is no longer  
an acceptable sole source.*
