

# NEW ARRIVALS

JULY 2025

**BEST PLUMBING SPECIALTIES**

## Faucet Lock

---

This faucet lock has a unique, free-spinning design which secures faucets and hose bibbs from vandalism, unauthorized use, tampering, and water theft. Made of solid brass which prevents rusting and includes two keys. Ideal for commercial and industrial buildings, schools, universities, shopping centers, hospitals, and more.

- No tools required
- Recommended for outdoor faucet use
- Fits on 3/4 hose threads

**#60031**

## 10 Oz. Compact Anti-Drip Caulk Gun

---

This unique caulking gun is the smallest rod-less silicone gun on the market. It fits easily into any toolbox and is simple to maneuver in tight spaces and at challenging angles. You can even use a knife to remove the back of the tube as you work through the caulk, to maintain the compact nature of the tool.

- Features a unique anti-drip mechanism to prevent excess dripping.
- Includes a puncture pin stored in the handle to clear a clogged nozzle
- 12:1 Thrust Ratio
- Fits standard 10 oz cartridges and 310 mL sausage packs

**#60068**

# MONTHLY FAVORITES
