

EDUCATION SOLUTIONS

Through OMNIA Partners Public Contract

Graybar is the awarded supplier of electrical, lighting, data communications and security products and related products, services and solutions through OMNIA Partners, Public Sector, the nation's largest and most experienced cooperative purchasing organization dedicated to public sector procurement.

Whether elementary school or community college, no two educational environments are the same when it comes to maximizing facility-wide safety and connectivity. At Graybar, we help optimize your resources to keep your on-campus project on budget. And on schedule.

Service Solutions to Support Products

Our comprehensive on-campus solutions accomplish more than helping everyone on campus feel safer and more connected — they can also help improve remote learning capabilities and recruitment efforts.

By giving you the support your project needs every step of the way, Graybar helps you get from spec to completion.

The Graybar-OMNIA Partners, Public Sector Program:

- Satisfies solicitation requirements
- Lead public agency managed contracts
- No cost to participate
- Contracts allow your organization to maximize savings on the products you need while reducing procurement time.
- Ensures accurate contract pricing, terms and agency specific requirements.
