For purchases July 1, 2025 through October 31, 2025

To redeem this promotion:

- ▶ Purchase participating products from June 1, 2025 through August 31, 2025 by visiting vwr.com/corninglifesciences, calling 1.800.932.5000, or contacting your Avantor sales representative.
- ▶ Redeem your FREE case(s) of products by visiting vwr.com/promotions and search for Promo Code **6299**. Fill in the online form before November 15, 2025.

Terms and Conditions: Offer valid in the U.S. and Canada only and void where prohibited by government, law, or company policy. Offer valid for end-user customers only for purchases from July 1, 2025 through October 31, 2025 or while supplies last. Redemption information must be received by November 15, 2025. Please allow 4 to 6 weeks for delivery of free product. *Purchases must be made on a single purchase order and free goods are of same purchased product.

Warranty/Disclaimer: Unless otherwise specified, all products are for research use or general laboratory use only.* Not intended for use in diagnostic or therapeutic procedures. Not for use in humans. These products are not intended to mitigate the presence of microorganisms on surfaces or in the environment, where such organisms can be deleterious to humans or the environment. Corning Life Sciences makes no claims regarding the performance of these products for clinical or diagnostic applications. *For a listing of US medical devices, regulatory classifications or specific information on claims, visit www.corning.com/resources.

Corning's products are not specifically designed and tested for diagnostic testing. Many Corning products, though not specific for diagnostic testing, can be used in the workflow and preparation of the test at the customers discretion. Customers may use these products to support their claims. We cannot make any claims or statements that our products are approved for diagnostic testing either directly or indirectly. The customer is responsible for any testing, validation, and/or regulatory submissions that may be required to support the safety and efficacy of their intended application.
